

## Accessing End of Life medicines in the community

In Sheffield we have robust supply arrangements for end of life medicines through our community pharmacy teams and if access is required out of hours the GP collaborative have got quick access to end of life medicines. We advise that anticipatory medicines continue to be prescribed in a timely manner in line with the patient's Advance Care Plan.

Below is the suggested flow of how to access end of life medicines in the community.

Appendix 1 - List of palliative care pharmacies.

Opening hours are subject to change – please check the NHS website [here](#) or telephone the pharmacy before visiting
