Key message

First point of contact for answering your medication information queries should be one of the following:

- **NHS Sheffield Medicines Optimisation Team** for local queries that are not hospital related. (Monday to Friday office hours (9am-5pm). We endeavour to acknowledge receipt of email within 24 hours). If your query is complex we can direct you to the most appropriate resource.
- Your **local community pharmacy**
- **Hospital Medicines Information Centre** for medicines information queries for patients under the care of that hospital or discharge medication.
